ORDER

A hearing was held May 23, 2019, on the Motion for Relief from the Automatic Stay Filed by HHM Int'l DMCC and Hype-IP, Ltd ("Motion for Stay Relief"), on limited appearance, filed on May 1, 2019 [Doc. 17]. For cause shown, the Court directs the following:

1. The hearing on the Motion for Stay Relief is CONTINUED to June 6, 2019, at 9:00 a.m., in Bankruptcy Courtroom 1-C, First Floor, Howard H. Baker, Jr. United States Courthouse, Knoxville, Tennessee.
2. Any opposition to the Motion for Stay Relief shall be filed no later than close of business on June 3, 2019.
3. In the event that an opposition is filed and/or the parties have not resolved their issues as of June 6, 2019, an evidentiary hearing on the Motion for Stay Relief will be held on June 14,

2019, at 9:00 a.m., in Bankruptcy Courtroom 1-C, First Floor, Howard H. Baker, Jr. United States Courthouse, Knoxville, Tennessee, and the parties will observe the following pretrial schedule:

A. The joint pretrial statement including all stipulations of undisputed facts and issues to be addressed at trial shall be filed no later than 12:00 p.m. on June 12, 2019. The joint pretrial statement shall also include a statement concerning the use of the court's electronic evidence presentation equipment, including whether either or both parties intend to use the equipment.

B. If either or any of the parties desires to use the court's electronic evidence presentation equipment, in addition to so stating in the joint pretrial statement, notice must be given directly to Judge Bauknight's courtroom deputy clerk, Heather Connatser (heather_connatser@tnb.uscourts.gov or 865-545-4284) at least five working days before the evidentiary hearing. Because counsel must have received training on the use of the equipment before using it in any trial or evidentiary hearing, counsel shall contact Ms. Connatser at least fifteen days prior to the evidentiary hearing to schedule initial or refresher training.

C. Notwithstanding any objections, duplicate sets of exhibits with an accompanying index shall be jointly pre-marked and pre-filed in paper form with the clerk's office at least ten days prior to the evidentiary hearing. If the number of exhibits totals ten or more, they shall be tabbed and in notebooks. All such exhibits will be deemed admissible at trial by any party subject only to objections grounded solely under Federal Rule of Evidence 402 or 403 unless objections to admissibility are filed at least seven days prior to the evidentiary hearing.

D. Only if both parties agree to present evidence by electronic means, the jointly pre-marked and pre-filed exhibits shall be submitted to the clerk's office on a flash drive, CD-ROM, or DVD, together with one set of the exhibits in paper form, at least ten days prior to the evidentiary hearing. All such exhibits will be deemed admissible at trial by any party subject only to objections grounded solely under Federal Rule of Evidence 402 or 403 unless objections to admissibility are filed at least seven days prior to the evidentiary hearing.

E. Upon notification as set forth in subparagraphs A and B above, application of E.D. Tenn. LBR 5073-1 is suspended.

F. Briefs shall be filed no later than 12:00 p.m. on June 12, 2019.

4. The automatic stay shall remain in effect pending final disposition of the Motion for Stay Relief.
